2. The Local Service Areas for Complete Connection Services are the same as the Local Service Areas defined in Section 3 of the Company's ERT. All rules, regulations and limitations for the optional features and ADSL service specified in the noted tariff sections, also apply to Complete Connection Services.
3. Services/features that are selected by a subscriber to be included in the Complete Connections packages are not eligible for any additional discounts or credits. In particular, discounts and/or credits included in any separate package pricing for Custom Calling or Custom Calling Plus Services do not apply to services selected for Complete Connections.
4. An existing Flat Rate Individual Line residential service subscriber who converts to a Complete Connection Service will pay a nonrecurring charge of \$6.50 per line to convert the service. The nonrecurring charge of \$27.50 to establish an access line as described in the Company's ERT, Section 2, will apply along with the nonrecurring charge of \$6.50 per line when establishing Complete Connections Service as new service or when moving service to a different address.
5. Complete Connections subscribers are not eligible for special promotions which include the individual features included in the Complete Connection Packages unless specifically noted for inclusion.
6. Customers subscribing to either of the Complete Connection Services may change features at anytime without incurring a charge for making such change once Complete Connections has been established. However, customers changing their telephone numbers (except for Distinctive Ringing) and/or moving to different addresses will be billed the nonrecurring charges associated with such changes as noted in Section 2 of the ERT.
7. All charges (such as End User Common Line, E-911 Service, taxes and other surcharges) normally associated with Flat Rate Access Line service will be billed in addition to Complete Connections Service charges.
8. Complete Connections Service will not be provided as a Lifeline Service.

9. Customers subscribing to Complete Connection Services are provided with a thirty (30)-day Customer Satisfaction Guarantee. This guarantee will provide dissatisfied customers up to a 30-day credit for the monthly charge associated with the service less the appropriate monthly access line charge. The credit will be pro-rated based on the time the customer has the service, up to a maximum of 30 days. To receive the credit, the customer must notify the Telephone Company of their dissatisfaction with the service and place an order to discontinue the service within 30 days of the time that the service was installed. Customers will also be credited for the nonrecurring charge associated with the Custom Calling and/or Custom Calling PLUS service(s), if a nonrecurring charge was incurred.
10. There is a limit of one Second Line to the Complete Connection Packages per account.
11. Complete Connections Features Add-on only applies to the Second Line to Complete Connection Packages.

5. An existing nonresidential flat rate individual line service customer who converts to Business Complete Connections Service will pay the nonrecurring charge described in Paragraph C below. When establishing Business Complete Connections Service as a new service or when moving a service to a different address the nonrecurring charge to establish an access line as described in the Company's ERT, Section 2, will also be applicable. (T)
6. Business Complete Connections customers are not eligible for special promotions that may be applicable to the individual features included in a Business Complete Connections Package unless Business Complete Connections Service is specifically noted for inclusion.
7. Customers subscribing to Business Complete Connections Service may change features at anytime without incurring a charge for making such change once Business Complete Connections has been established. However, customers changing their telephone numbers(except for Distinctive Ringing) will be billed the nonrecurring charge as specified in the Company's ERT, Section 2.
8. All charges (such as End User Common Line, E-911 Service, taxes and other surcharges) normally associated with Flat Rate Access Line service will be billed in addition to the Business Complete Connections Service charges.
9. The Business Complete Connections/ADSL Package described below is grandfathered as of April 5, 2004. No new installations will be provided. (C)  
(C)

For a higher monthly rate, Business Complete Connections is also available packaged with Asymmetrical Digital Subscriber Line (ADSL) service. The ADSL service that comes standard with this Business Complete Connections/ADSL package is the CBT High Speed 3.0 Mbps/768 Kbps. For a monthly rate that is in addition to the rate for this package, the ADSL service may be upgraded to one of CBT's other ADSL services.

- a. The terms and conditions pertaining to Business Complete Connections as outlined in this section of the tariff, are also applicable to this package.
- b. The terms and conditions pertaining to ADSL service, as outlined in Section 44 of this tariff, are also applicable to the ADSL service included in the package.
- c. This package is not to be placed on accounts that are subscribing to any of the following CBT services: Centrex 2000 Service, Prime and Trunk Advantage Services or Business Service Packages.
- d. This package is limited to one package, per account.
- e. Customers subscribing to the Business Complete Connections with ADSL service package are not eligible for special promotions on individual ADSL services or Business Complete Connections packages unless specifically noted for inclusion in the promotion.

B. Hunting Enhancement

1. For an additional charge, customers subscribing to two or more Business Complete Connections Packages have the option to add hunting service at the rates found in Paragraph II.C. The terms and rates for the hunting service which are found in the Exchange Rate Tariff, PSCK No. 2 and in this tariff, Section 47, will continue to apply to access lines which are not equipped with one of the Business Complete Connection Packages. (T)  
(C)
2. Each telephone line associated with this hunting arrangement must be equipped with one of the Business Complete Connection Packages. (C)  
(C)
3. The customer is required to pre-determine the telephone lines that are to be a part of the hunting arrangement. A hunting service will be placed on every telephone line in the hunting arrangement. This enables the Central Office to search in a pre-determined sequence for an available idle line in a pre-established group of lines. (C)(T)  
(C)(T)
4. To accommodate the provisioning of this hunting arrangement, the Call Waiting Service as outlined in paragraph II.A.1., can not be activated on the telephone lines which have been chosen by the customer to be part of the hunting arrangement, except for the last line. Also, the Voice Mail Support Service, as outlined in paragraph II.A. 1., will not be activated on any of the telephone lines which are involved in the hunting arrangement.
5. The telephone lines that are part of the hunting arrangement, must be served from the same central office and furnished to the same customer.
6. Multi-line hunting and circular hunting are not available with this arrangement.
7. The hunting service, as it is associated with the Business Complete Connection Packages is only available to customers who are served out of appropriately equipped central offices. (C)
